- Erlang/Elixir

May 2023 - Current
Grandville, Michigan

Grandville Public School District
Computer Technician

- Led the deployment of 1,000 Chromebooks and replacement of backup batteries for devices across the district.
- Played a key role in opening a new middle school by moving and configuring existing tech assets.
- Provided IT support to two elementary schools with over 1,100 staff and students, and assisted the middle school as needed.
- Managed the summer deployment of 200 iPads and an additional 1,000 Chromebooks.
- Worked to prepare our intermediate (5/6) building for its grand opening in August
- Prepared and currently maintaining the technology infrastructure for a newly opened intermediate (5/6) building, supporting over 1,300 staff and students.
- Demonstrated strong independent work skills during the school year and collaborated effectively with teams during summer projects.
- Proficient in systems such as Active Directory, Cisco Meraki, Cisco Call Manager, Cisco Unity, Cisco Duo, SolarWinds Helpdesk, Google Admin, Novell Zenworks, PowerSchool, Securly, and Papercut.

July 2022 - March 2023
Grandville, Michigan

Grand Rapids Macs
Repairs and Sales

- Specialized in the sale and repair of Apple products including iPhones, iPads, MacBooks, iMacs, Mac Pros, and Watches.
- Executed advanced repairs, including circuit board work, on devices Apple classified as obsolete.
- Operated the store independently during the owner's absence, managing sales and customer service.

June 2021 - August 2021 | December 2021 - May 2022
Grandville, Michigan

Grandville Public School District
Technology Intern

- Assisted in deploying over 3,000 Chromebooks and preparing iPad carts for the upcoming school year.
- Conducted summer maintenance tasks including projector cleaning and battery replacements.
- Continued work post-internship to repair Chromebooks and assist with various technical tasks at the high school.
