ANDREW STILL

Grandville, Michigan   (616) 914-5687   hello@andrewstill.moe   [Personal Website](#)

May 2023 - Current	Grandville Public School District
Grandville, Michigan	Computer Technician

- Started out doing the same I had done during my internship just with 1000 Chromebooks
- Towards the end of the summer helped prepare our new middle school for its grand opening
- At the beginning of the school year serviced 2 elementary schools with over 2500 people while also occasionally assisting the Middle School tech
- After a few months we rebalanced building assignments and I was now servicing 2 elementary schools but with only about 2200 while still occasionally assisting the MS tech
- During second summer worked to deploy 300 iPads and another 1000 Chromebooks
- Currently am working to prepare our intermediate building for its grand opening in August
- Worked independently
- Systems used include Active Directory, Cisco Meraki, Cisco Call Manager, Cisco Unity, Cisco Duo, Solarwinds Helpdesk, Google Admin, Novell Zenworks, PowerSchool, Securly, Papercut

July 2022 - May 2023	Grand Rapids Macs
Grandville, Michigan	Repairs and Sales

- Dealt in the sale of Apple iPhones, iPads, MacBooks, iMacs, Mac Pros, and Watches
- Did repairs Apple themselves refused to do like Circuit Board and devices Apple deems too old
- Was the only employee and had to run the store solo on some occasions

December 2021 - May 2022	Grandville Public School District
Grandville, Michigan	Chromebook Repair Tech

- Repaired chromebooks at the High School for a few hours after School on Monday, Wednesday and Friday
- Assisted the High School Computer Technician in after school repairs

June 2021 - August 2021	Grandville Public School District
Grandville, Michigan	Technology Intern

- Helped deploy over 3000 new Chromebooks to students
- Reset iPads and existing Chromebooks in preparation for the new school year
- Other various summer maintenance including cleaning projectors, replacing backup batteries and other miscellaneous items

---

[CompTIA A+ ce Certification](#)	June 2022
High School Diploma	May 2022

Looking to switch to programming. I mainly know JavaScript, but have some basic knowledge of others.

List of JavaScript Stuff:
- TypeScript (3 year)
- React (1 year)
- NextJS (2 year)
- Hono (1 year)
- Tailwind (2 year)

Other Languages I've looked at
- Java (Basic)

Languages I want to look at
- Ruby
- Elixer/Erlang
